11-6-2024

Dear prospective Students and Parents,

With immense joy and pride, I extend my hearty greetings to all of you! As the Patron and Manager of St. John's College, Anchal, I am delighted to introduce our new four-year undergraduate program starting this academic 2024-2025, in line with the National Education Policy (NEP) 2020, marking a new era in our commitment to academic excellence and holistic development.

His Grace Most Rev. Dr. Benedict Mar Gregorios, the Metropolitan Archbishop of the Syro-Malankara Church with a visionary outlook started the College under the Malankara Syrian Catholic Colleges Association of Archdiocese of Trivandrum. Since its founding in 1964, St. John's College, Anchal has been a beacon of intellectual advancement and enlightenment. Located in the village of Anchal in Kollam District, the college has played a pivotal role in the uplift of the economically underprivileged people of Anchal and surroundings which comprise a substantial population from deprived backgrounds and vulnerable segments. Our college enabled the transformation lives and communities by providing quality education.

As we are in the threshold of introducing the four-year UG program, we are excited to expand our academic offerings and research capabilities under the guidance of 89% of our staff holding Ph.D. qualifications. We are poised to establish more research departments, fostering an environment of innovation and inquiry.

St. John's College remains steadfast in its mission to cultivate academic excellence, ethical integrity, and social responsibility. We invite you to join us on this remarkable journey of learning and growth, as we continue to build on our legacy of enlightenment and as empowerment.
