

N-List

St. John's College is registered for the N-List Programme, which is an initiative of the Ministry of Human Resource Development (MHRD) under the National Mission on Education through ICT. The N-List project provides students, researchers, and faculty from colleges and other beneficiary institutions access to e-resources through server(s) installed at the college INFLIBNET centre. The authorized users from the college can access e-resources and download articles required by them directly from the publisher's website once they are duly authenticated as authorized users through servers deployed at the INFLIBNET centre.
