## GUIDELINES FOR NATIONAL SCHOLARSHIPS

- 1. INSPIRE SCHOLARSHIP:** "Innovation in Science Pursuit for Inspired Research (INSPIRE)" is an innovative programme sponsored and managed by the Department of Science & Technology for attraction of talent to Science. The basic objective of INSPIRE is to communicate to the youth of the country the excitements of creative pursuit of science, attract talent to the study of science at an early age and thus build the required critical human resource pool for strengthening and expanding the Science & Technology system and R & D base. A striking feature of the programme is that it does not believe in conducting competitive exams for identification of talent at any level. It believes in and relies on the efficacy of the existing educational structure for identification of talent. This scholarship is for science stream students which begins from undergraduate programme and can continue the scholarship to postgraduate and research programme with an yearly allowance of 60,000/- to 1,20,000/- . The site link for INSPIRE scheme is <https://www.online-inspire.gov.in/>
- 2. CENTRAL SECTOR POST METRIC SCHOLARSHIP:** The objective of the scheme is to appreciably increase the Gross Enrolment Ratio of SC students in higher education with a focus on those from the poorest households, by providing financial assistance at post-matriculation or post-secondary stage to enable them to complete their education. These scholarships are available for studies in India only and the awardees are selected by the State Government/Union Territory to which the applicant actually belongs (i.e. the State/UT in which permanently settled or domiciled, as per the terms of domicile decided by the
