Action Taken Report 2017-'18

Decision	Action Taken
1.6.1 IQAC entrusted Mr. Sibi C. Babu with the task of preparing a general report to be provided to the faculty based on the feedback obtained from students.	The report was prepared and the college council prepared an outline of the weak areas which was presented in the staff meeting and a plan of action was finalized.
2.6.1 The IQAC proposes to the management the setting up of a napkin vending cum incinerator machine in the WDC.	The machine has been purchased and installed.
2.6.2 Student feedback has put forward the need for servicing of water coolers and the IQAC submits the request to the management.	All water coolers have been serviced.
3.6.1 IQAC proposes reconstitution of the committee.	IQAC was reconstituted in the subsequent academic years.
